ENVIRONMENTAL SERVICES ASSOCIATE
TRAINEE PROGRAM

Do you enjoy helping others? Are you looking for a hands-on role where you can make a difference every day? A career in health care could be perfect for you!

UPMC is partnering with the Energy Innovation Center to offer an Environmental Services Associate Trainee Program. Through this training program, you will learn how to clean all aspects of the hospital to meet the required safety standards and to promote the quality of care that is given to all patients.

PROGRAM DETAILS
• Classes will be held Monday through Friday, during daylight hours.
• The program will be held for a duration of five weeks and will include classroom and hands-on training.
• Selected participants will be hired as temporary UPMC employees prior to beginning the training program.
• Selected participants will be paid $12.32 per hour during the training program.
• Selected participants will learn skills required for an Environmental Services Associate at UPMC.
• Upon successful completion of the training program, participants will be considered for opportunities to transition to a part-time or full-time position with career and salary growth.

PROGRAM REQUIREMENTS
• Perfect attendance and punctuality are encouraged and expected.
• Ability to follow written and verbal instructions is required.
• Prior work experience is preferred but not required.
