Phone: 717-849-5481

Fax: 717-801-0682

HOW TO PREPARE FOR YOUR APPOINTMENT:

- It is recommended you fast 8-10 hours prior to your examination time to ensure that the most accurate blood screening results can be obtained
- Drink plenty of water to stay hydrated when fasting
- Take your usual medications on the day of your appointment, unless instructed otherwise
- Please plan childcare accordingly prior to your evaluation. Bringing small children to your appointment is not advisable, as children are not permitted to accompany you into the evaluation room.

WHAT TO BRING TO YOUR APPOINTMENT:

- Photo identification
- A list of any medication(s) you may be taking
- Immunization record and titers
- Documentation of previously received influenza vaccination, such as the location and date vaccination administered
